

HP LE2201w 22-inch Widescreen LCD Monitor

HP's low power consumption panel produces our largest, most energy-efficient Essential series monitor to date

Key features at competitive prices

Enjoy expansive views of your work with the newly redesigned HP LE2201w 22-inch Widescreen LCD Monitor, our most energy-efficient large-screen Essential Series monitor ever, and benefit from the improved energy efficiency of HP's new low power consumption panel.

HP Essential Series Monitors deliver key performance features at competitive prices. With the HP LE2201w monitor, this means:

We can help you "go green"

The HP LE2201w is TCO 5.0 Certified, meets new ENERGY STAR® 5.0 specifications¹ and boasts a number of environmental features to help you make responsible purchases, including:

- Up to 30% reduction in max power consumption
- 50% less mercury than previous generation models
- BFR- and PVC-free panel, cabinet and sheet metal
- Arsenic-free display glass
- Energy savings with HP's new low power panel

Experience more. Do more.

Witness stunning front of screen performance for crisper, clearer views. The HP LE2001w features:

 A 1000:1 contrast ratio and 16:9 aspect ratio²

- Sharp resolutions to 1680 x 1050, and fast 5 ms response time²
- Wide 160-degree viewing angles and adjustable vertical tilt
- A screen size that allows more visible onscreen data
- Theft deterrence enablement with HP Display Assistant

Enjoy peace of mind

Know that your business needs are covered with the HP LE2201w. Each monitor is:

- Fully tested with three-year limited warranty backed by HP worldwide service and support
- Compatible with HP business products for a total HP computing experience

Customize with a range of options

HP offers a variety of optional products (each sold separately) to help you maximize your monitor investment:

- Use the HP Quick Release to mount the monitor head on a wall or swing arm
- Create a compact all-in-one work center by bundling your monitor with an HP Compaq dc7900 USDT PC or HP thin client using the Integrated Work Center Stand
- Listen in to stereo audio with the HP Speaker Bar
- Create a multi-monitor setup using the HP USB Graphics Adapter, which enables the USB connections between the monitor and PC
